First of all, Don was the best host we've ever experienced. He took care of my every question within minutes and made sure we had everything we needed. He even messaged me in the middle of the week to make sure everything was going well. The house showed the same amount of care and attention, and had everything we needed. The kitchen, wet bar, bedrooms, bathrooms, all were well stocked and I especially appreciated the salt box with the beach cart, umbrella, beach chairs, and toys!! The beach was a short walk and the pool literally steps away. Everything was exceptionally clean and well taken care of. I would not hesitate to vacation here again!!!</p> <p><i>My Response</i></p> <p>Laura, it was a pleasure helping you spend a week's vacation at our first floor villa. Don</p>	<p>★★★★★</p> <p>✕</p>

Missing Hilton Head already! Very comfortable sofas and beds. Loved being so near the pool and on the first floor. Fiddler's Cove is in a great spot, short walk to the beach and quick drive to restaurants and things to do. We played lots of ping pong right next door in the clubhouse, and tennis once. Don was very responsive to any questions. I liked that this is not a "fancy" condo, but comfortable and clean, which is most important to us. Sometimes condos have such trendy furniture in the den that it is not comfortable! Kitchen also had everything we needed. Super to have the items in the salt box-chairs, boogie board, umbrella and cart. This condo was perfect for our family and we would love to come again someday! Thank you, Vogel family!</p>	<p>★★★★★</p> <p>✕</p>

We were delightfully surprised by all the extras we found in the condo. Everything you need for cooking was available. We found the beach toys and cart to be quite handy. They even had racquetball, tennis balls and racquets in a closet. The beds were very comfortable. We have a family of 5 and had plenty of room. The pool was so convenient and the other pool is not very far. The walk to the beach is a two block walk. And the clubhouse just steps away is very fun to play ping pong, and cornhole. We always enjoy our vacations at your villa. The proximity to the pool and beach is excellent for us and our children. The kids enjoy swimming in the pool, playing tennis, racquet ball, fishing, and biking around the island. We were very pleased with the amenities in the villa. We had everything we needed for a comfortable week's vacation. Thank you Don and Joann!

The Villa was perfect for our family vacation to Hilton Head. It is well maintained, clean, and has everything a family needs. The salt box was a nice bonus containing beach chairs, beach cart, toys, etc. You are steps away from the pool and within walking distance from the beach. The villa was nice and quiet at night and in a great location. Mr. Don was a pleasure to work with. Thank you! We loved HHI and would definitely rent this villa again!

My family and I loved the 8B Villa. Don was very good to work with. The pool is steps from the ground floor Villa, and my kids spent tons of time at the club house, and in the pool. The Villa had everything we needed. We cooked in 4 nights just like at home. The area is very quiet and has easy access to the beach, whether you choose to walk or drive. The short walk to the beach is peaceful and enjoyable. Everything you need for the beach is in the salt box, including a cart to roll everything in. This is a great value for a family looking to spend time together. We never left the island the whole week.

Thank you for a great stay. This was our first time to Hilton Head and we loved it. The villa was a nice home away from home and we always felt very safe there. The owners made the rental process easy and communication was great. We loved that we could walk to the beach since we couldn't get enough of the ocean. The weather was perfect.

The Fiddler's Cove property, the location on the island and the condition of all the furnishings in the condo were ideal and it is on the ground floor - no steps. I have rented several condos on HHI and this experience was the best that I have had. Don (owner) is 5 star PERIOD! I hope this condo is available the next time we go to HHI because I would definitely reserve this property again!</p> <p><b>Recommended for:</b> Families with Young Children, Sightseeing, Girls Getaway, Romantic Getaway, Families with Teenagers.</p> <p><i>My Response</i></p> <p>It was great having you and your family enjoy a few days at our villa. It was, but my accomodations were anything but cold. Very comfortable and clean. Everything I needed and then some. I love Fiddlers Cove for the great beach access, bike path, and to shops, stores etc. At least in the cold and rain I had comfort knowing friends up North were 15-20 degrees colder than me!! Great time In HHI and 8B !!!</p>	<p>★★★★★</p> <p>×</p>
